Here the sands of the Mediterranean shoreline boast numerous beach clubs and chiringuitos, just perfect for long, lazy summer lunches.

A paradise where you can experience
the ultimate in relaxation and fitness

The view from the infinity pool underlines the beauty of the setting, showcasing the sweeping sea views that reach across the horizon to the Sierra Nevada mountain range in the distance.

You don't have to leave the complex to work out, relax by one of the 2 pools with friends and neighbours, or work on your golf swing. The sport and leisure facilities nestle between the first three blocks of the urbanisation, where you can train in the fully equipped gym before steaming in the sauna or enjoying the luxurious Hammam. Golf lovers can practice their swing in the indoor golf simulator, then after working up a sweat, simply step outside to enjoy the chill-out area, immersed in the peace and tranquillity of the Calanova hillside. The waterfall cascading over the pool's edge makes an idyllic backdrop to the harmony of the setting.

Golf-loving residents are truly spoilt at this development. The Calanova Golf Club is less than three minutes' walk from the front gate – but if you don't wish to tote your own clubs, there will be some spaces available to park a golf buggy in the underground parking. From your home to the golf course in less than five minutes is a treat that cannot be underestimated – even here on the Costa del Golf, few can step from home to fairway without having to get in a car.

The course itself is 18 holes and is considered one of the best in the area, challenging but not too hard for novices to enjoy a round, famous for the spectacular views it offers. You also have the opportunity to practice your shots on the new driving range. The pro shop at the clubhouse is one of the largest in the area, laid out over two floors and extensively stocked for all your sporting needs.

With the golf club a short stroll away, the Club House is your local point of reference for meeting friends, popping in for breakfast or you simply want to enjoy a delicious dinner at the Club House restaurant.

The **best** of all worlds –
the perfect location

The exclusivity of this development doesn't stop with luxury amenities. Residents are given the opportunity to download an app that will offer a Concierge service, for an extra fee. Perhaps you want to enjoy an evening with friends without spending all your time in the kitchen – why not ask the Concierge to provide a personal chef? From arranging airport transfers to booking restaurants and concert tickets, whatever you need, the Concierge is there to make your life easier.

With such extensive amenities, you may find it hard to tear yourself away from your little piece of paradise. However, the lively resort of La Cala de Mijas is just a 10-minute drive away, while the vibrant seafront promenade and historic Old Town of Marbella can be reached in no more than 20 minutes. La Cala town itself offers everything you may need, from supermarkets to stock up on daily essentials, to a huge variety of shops, bars, restaurants and even venues offering live entertainment.

This fabulous development really offers the best of all worlds – a spacious, contemporary residence in a tranquil countryside location with all the amenities of the Costa del Sol coastline just a short drive away. What more could you want?
