WHY HUA HIN?

HIGH WORLD RANKING

Thailand is rated the second most desirable country in Asia by International Living. Within Thailand, Hua Hin is chosen as the number one beach resort for people that value world class golf courses combined with stunning nature and sandy beaches stretching for many kilometres.

BOOMING REAL ESTATE MARKET

Hua Hin is to Bangkokians what the Hamptons is to New Yorkers, a high-end destination to enjoy free time, and this trend is expected to continue. For a growing number of foreigners, Hua Hin is their preferred retirement or holiday destination. The Hua Hin region is a mature and high-quality tourist destination with strong real estate rental potential.

CONVENIENT ACCESSIBILITY

The infrastructure between Bangkok and Hua Hin has rapidly expanded for visitors traveling by car and train. Hua Hin airport has widened its runway and new international, mostly regional flight connections, are being established.

ON OUR DOORSTEP

Within 5 minutes driving distance you can enjoy the beautiful beaches of Hua Hin, have fun at Vana Nava Water Park, work-out at Arena Hua Hin or play a round of golf.

Multiple shopping destinations can be found close by in shopping malls like Bluport Mall and Market Village or at the famous Cicada market.

For dining experiences, you can find cuisines from all over the globe in Hua Hin. From Italian fine dining to Asian fusion, the best Thai tastes, and the outdoor experience at Tamarind market with dozens of food stalls and live music.

Cultural experiences can be found on walking distance like the impressive statues of the Seven Kings Monument located next to BelVida Estates.
