ARTIST'S CONCEPTUAL RENDERING

Perched along the shores of the Atlantic Ocean within Uruguay's serene seaside city Punta del Este, Cipriani Resort Residences & Casino represents a timeless vision of classic European coastal living. Designed by celebrated architect Rafael Viñoly in collaboration with Cipriani, this transformative development will breathe new life into the historic Hotel San Rafael site, a revered symbol of sophisticated glamour in Punta del Este. Residents will enjoy a life of effortless elegance with access to a variety of experiences the resort has to offer.

In 1931, a long-sought dream became reality. Giuseppe Cipriani Sr. opened the doors to Harry's Bar, now a National Landmark, in a discreet stone building just off Piazza San Marco in Venice. His vision was clear: do the simple things perfectly. His careful attention to detail, loyal devotion to his patrons, great food and drinks catered to a very international eclectic clientele who appreciated the famously relaxed atmosphere of Harry's Bar.

Over 90 years and four generations later, Cipriani has grown a single restaurant into a globally recognized lifestyle name, distinguished for exceptional service,

elegant venues and unique hospitality around the world.
