

SMITH & FRIENDS are delighted to welcome this spacious two bedroom end-of-terrace property located in the heart of central Middlesbrough, just a short walk from Teesside University and local amenities. This characterful home offers generous living space and retains many period features, but now requires full modernisation, presenting an excellent investment opportunity. Ideal for investors or developers, the property offers scope for conversion (subject to the necessary building regulations and planning permissions), and may be well-suited for a student let due to its proximity to the university campus. Internally, the accommodation spans multiple levels, offering versatile space with potential to create multiple bedrooms or units, subject to approval. Externally, being an end-terrace provides the advantage of side access.
